2. In support of my appointment as Interim Co-Lead Counsel, I bring with me the full

1 support of Keller Rohrback, a recognized leader in complex class action litigation nationwide, with the
 2 depth and breadth of experience and resources to manage and prosecute a case of this magnitude. *See*
 3 Keller Rohrback L.L.P. Firm Resume, a true and correct copy is attached hereto as Exhibit A.

4 3. I have considerable experience in the fields of data breach and data privacy litigation, as
 5 well as other large-scale and multidistrict complex class action litigation.

6 4. I currently serves as Interim Co-Lead Counsel in the multidistrict litigation *In Re:*

 9 involving T-Mobile, *In Re: T-Mobile Customer Data Security Breach Litigation*, No. 4:21-MD-03019-
 10 BCW, MDL No. 3019 (W.D. Mo.).

11 5. I previously served as Co-Lead or Class Counsel in several successful data breach and

14 plaintiffs' regarding this litigation, keeping abreast of developments with regard to settlement
15 discussions, and attended this Court's hearing on 23andMe's motion to stay as well as the hearing
16 before the JPML regarding the transfer motion.

17 12. If appointed Interim Co-Lead Counsel, I will continue to work collaboratively with
18 other counsel to advance the interests of the proposed class, while allocating work efficiently,
19 minimizing duplication of efforts, and maximizing cost efficiencies. I have a demonstrated track record
20 of working collaboratively with all counsel to achieve impressive outcomes that maximize results for
21 class members.

22 13. I understand that time is of the essence to secure benefits for the putative class of data
23 breach victims, who are at serious ongoing risk of identity theft, fraud, and other harms. As Interim

25 Plaintiffs' counsel, in accordance with The Manual for Complex Litigation, to implement fair, efficient
26 and transparent management protocols, including close oversight of the assignment of work. I take
27 seriously and have extensive experience ensuring accountability for the timely completion of tasks,

3 ensure that this litigation is prosecuted in an efficient manner, employing cutting-edge technology and
4 case management techniques as well as delegating relevant tasks to in-house support personnel and
5 experienced paralegals where appropriate.

Keller Rohrback's antitrust and trade regulation practice represents Plaintiffs in state and federal courts to ensure that consumers get the benefits of free and fair competition in the marketplace. Keller Rohrback has successfully litigated cases on behalf of both consumers and businesses who have been harmed by illegal anti-competitive conduct, such as price fixing, price discrimination, misleading and deceptive marketing practices, and the monopolization and attempted monopolization of markets.

Keller Rohrback has served as lead counsel, on MDL executive committees, and in other prominent roles in large price-fixing and price discrimination cases. Keller Rohrback serves as Plaintiffs' Co-Lead Counsel in this litigation regarding the marketing, pricing, and sale of EpiPen auto-injector devices in the United States. Plaintiffs alleged that defendants Mylan and Pfizer engaged in unfair and illegal activities that stifled competitors, allowing defendants to maintain their dominant market positions and increase the prices of EpiPen products by over 500%. These practices forced consumers to pay inflated and unnecessary costs for EpiPens—a device on which many lives depend. The Court certified two classes of consumers and payors against Defendants Mylan and Pfizer. Through separate settlements with the Mylan and Pfizer defendants, Class Counsel achieved settlements totaling \$609 million for the benefit of the classes.

Ferko v. National Ass'n for Stock Car Auto Racing, Inc., No. 02-50 (E.D. Tex.)

Keller Rohrback was Counsel for Plaintiff, a shareholder in Texas Motor Speedway (TMS), in a lawsuit that charged NASCAR with breach of contract, unlawful monopolization, and conspiring with International Speedway Corporation (ISC) to restrain trade in violation of the antitrust laws. The settlement agreement allowed TMS to purchase North Carolina Speedway from ISC and required NASCAR to sanction a Nextel Cup Series race at TMS in the future, relief that was valued at \$100.4 million.

"The Court has repeatedly stated that the lawyering in the case at every stage was superb, and does again." Mem. at 12, *In re Linerboard Antitrust Litig.* (E.D. Pa. June 2, 2004) (DuBois, J.).

The complaints contained claims against the major manufacturers of Alum who allegedly engaged in a conspiracy to artificially inflate the price of this essential chemical used in municipal water treatment. As a result of these antitrust violations, municipalities—and their taxpayers—had overpaid millions of dollars to the co-conspirators for the Alum they purchased during the long life of this conspiracy. Keller Rohrback serves as Plaintiffs' Co-Lead Counsel in this litigation regarding the marketing, pricing, and sale of EpiPen auto-injector devices in the United States. Plaintiffs alleged that defendants Mylan and Pfizer engaged in unfair and illegal activities that stifled competitors, allowing defendants to maintain

their dominant market positions and increase the prices of EpiPen products by over 500%. These practices forced consumers to pay inflated and unnecessary costs for EpiPens—a device on which many lives depend. The Court certified two classes of consumers and payors against Defendants Mylan and Pfizer. Through separate settlements with the Mylan and Pfizer defendants, Class Counsel achieved settlements totaling \$609 million for the benefit of the classes.

Pechman of the United States District Court for the Western District of Washington certified a nationwide class of structured settlement annuity holders who allege that certain business practices by Symetra Life Insurance and its affiliate Symetra Assigned Benefits Service Company ("SABSCO") violated RICO, the Washington Consumer Protection Act, civil conspiracy, unjust enrichment, and their contractual rights. The Court certified the following class: "All persons who are or were, at any time, annuitants of [a structured settlement annuity ("SSA")] that contemplated life contingent payments issued by Symetra and who subsequently sold to a Symetra affiliate the right to receive payments from that SSA in a factoring transaction." In re Arizona Theranos, Inc. Litig., No. 16-2138 (D. Ariz.)

In 2014, Theranos began pitching a revolutionary technology that it said could perform hundreds of health tests with a single pinprick of blood—and with fast, automated, and inexpensive results. Theranos teamed up with Walgreens to market the product and offer it in Walgreens stores. However, the vaunted technology did not work. Thousands of test results were invalidated or called into question. Theranos founder Elizabeth Holmes and COO Sunny Balwani have since been criminally convicted. The fraud received widespread media attention, including a popular book and documentary. The class here consists of an estimated 175,000 consumers in Arizona and California who were subject to the unreliable testing technology.

After nearly seven years of litigation, Keller Rohrbach and co-lead counsel secured a \$44 million settlement with defendants in this matter to resolve class claims arising from the Theranos blood testing scandal. The final approval order, signed by U.S. District Judge David G. Campbell on February 6, 2024, establishes a nonreversionary \$44 million common fund to provide consumers approximately double their out-of-pocket damages, and an additional \$1,000 (approximate) for members of the subclass who participated in Walgreens tiny blood draws.

Corona v. Sony Pictures Ent., Inc., No. 14-9600 (C.D. Cal.)

Keller Rohrbach obtained a significant settlement for the class in October 2015, which was approved in April 2016.

Carlin v. DairyAmerica Inc., No. 09-00430 (E.D. Cal.)

In 2009, Plaintiffs brought suit alleging claims under federal and California state law. The class action complaint alleged that Defendants, DairyAmerica, Inc. and California Dairies, Inc., negligently and incorrectly reported dairy product prices to the National Agricultural Statistic Service, a division of the United States Department of Agriculture. As a result of this misreporting, prices for various grades of milk products were set lower than they should have been, inflating DairyAmerica's profits and depriving dairy farmers of tens of millions of dollars in income. On May 9, 2019, U.S. District Court Judge Anthony W. Ishii granted final approval to a \$40 million settlement.

Iacovelli v. SBTickets.com, LLC, No. 15-1459 (Ariz. Super. Ct., Maricopa Cnty.)

Keller Rohrbach filed a class action in Arizona state court on behalf of individuals who paid for, but did not receive, tickets to the 2014 Super Bowl (Super Bowl XLIX) from the ticket broker SBTickets. Despite purchasing tickets and receiving numerous representations that their tickets were guaranteed, SBTickets customers were told just days before the game, and in some instances, only hours before kickoff, that their ticket orders would not be fulfilled. The case was settled on favorable terms for the class notwithstanding the Defendant's insolvency and bankruptcy proceedings.

The trial court certified two classes: the Weberg Treatment Class; and the General Treatment Class. MultiCare subsequently filed a Motion for Summary Judgment seeking the dismissal of all claims of the General Treatment Class, which the trial court granted. The trial court then denied Plaintiffs' Motion for Reconsideration. Plaintiffs appealed the trial court's decision, however the Washington Court of Appeals affirmed the dismissal. After briefing and oral argument, the Supreme Court issued a favorable opinion on January 18, 2024 that reversed the dismissal of the General Treatment Class's claims.

Keller Rohrbach partner Gretchen Freeman Cappio serves as Chair of the Plaintiffs' Steering Committee in this multidistrict litigation arising out of the 2020 Blackbaud Data Breach. Plaintiffs' consolidated complaint, filed in the District of South Carolina, alleges that Blackbaud's clients' user data was exposed during a breach that lasted months, and Blackbaud further delayed Plaintiffs' ability to protect their data by their failure to announce the breach, despite knowledge of it, for months. Plaintiffs' claims survived Blackbaud's three motions to dismiss. On December 16, 2022, Plaintiffs filed their Motion for Class Certification with respect to six claims (including alleged violations of California, Florida and New York statutes). Judge Anderson ordered that Plaintiffs' remaining claims shall be stayed until the six identified claims are resolved.

Braden v. Wal-Mart Stores, Inc., No. 08-3109 (W.D. Mo.)

Keller Rohrback served as Lead Counsel in this class action on behalf of participants and beneficiaries of Wal-Mart’s 401(k) plan who invested in retail class mutual funds that charged excessive fees to participants and paid hidden fees to the plan’s trustee and recordkeeper, Merrill Lynch. Our attorneys secured the *first appellate victory* in a fee case of this kind when they obtained an order from the Eighth Circuit reversing dismissal and articulating the pleading standard for process-based breaches of ERISA, see *Braden v. Wal-Mart Stores Inc.*, 588 F.3d 585 (8th Cir. 2009). A settlement that included \$13.5 million along with injunctive relief was approved by Judge Gary A. Fenner.

Beach v. JPMorgan Chase Bank, No. 17-563 (S.D.N.Y.)

Plaintiffs alleged that JPMorgan Chase Bank ("Chase") breached its fiduciary duties to the participants and beneficiaries of the JPMorgan Chase 401(k) Savings Plan ("Plan") in violation of ERISA by, among other things, failing to prudently and loyally manage the Plan's assets by selecting and retaining unduly expensive Core Funds and Target Date Funds as investment options in the Plan and by engaging in prohibited transactions as a result of conflicts of interest. On October 7, 2020, Judge Jesse M. Furman granted final approval of the \$9 million settlement of the action.

On November 21, 2022, the U.S. Supreme Court denied a petition for certiorari, thereby ending efforts to invalidate the City ordinance.

Rollins v. Dignity Health, No. 13-1450 (N.D. Cal.)

Keller Rohrback served as co-counsel in this lawsuit alleging that the Dignity Health Pension Plan was improperly claiming an exemption from ERISA as a "church plan." In 2022, the Court granted final approval of a class settlement in excess of \$100 million to the Plan, additional minimum funding amounts paid into the Plan trust over several years, non-monetary changes, and certain equitable protections for Plan participants that are comparable to some of ERISA's key protections.

REPRESENTATIVE CASES

PCB Litigation Against Monsanto Company on Behalf of State and Local Governments

Keller Rohrback has been retained by numerous state and local governments to pursue claims against Monsanto for the long-lasting and devastating impacts that Monsanto's polychlorinated biphenyls ("PCBs") have inflicted on fish, wildlife, ecosystems, and communities. Monsanto was the sole manufacturer of PCBs in the United States, selling over 1.4 billion pounds of these highly persistent and toxic chemicals. Although the manufacture of PCBs has been banned since the late 1970s, PCBs continue to contaminate land, water, and nearly all living things. By pursuing these cases against the Monsanto defendants, Keller Rohrback is working to hold Monsanto responsible for the environmental contamination and degradation it has inflicted upon communities across the United States for generations.

Oregon v. Monsanto Co., No. 18-540 (Or. Cir. Ct., Multnomah Cnty.)

Oregon appointed Keller Rohrback to represent the State in this landmark case seeking to hold Monsanto responsible for the harm its Polychlorinated Biphenyls ("PCBs") have caused to Oregon's environment, including its waters and wildlife. Keller Rohrback, together with co-counsel Stoll Berne, filed the complaint in 2018. On December 15, 2022, Monsanto agreed to pay \$698 million to the State of Oregon to resolve the State's claims.

Delaware v. Monsanto Co., No. N21C-09-179 MMJ CCLD (Del. Super. Ct., New Castle Cnty.)

Keller Rohrback filed the State of Delaware's Complaint on September 22, 2021, in the Superior Court of the State of Delaware. Defendants filed their Motion to Dismiss on December 17, 2021, and upon conclusion of briefing and oral argument, the court granted Defendants' Motion. The State appealed the Superior Court's decision to the Delaware Supreme Court, which has now reversed the Superior Court and ruled in favor of the State of Delaware on the issues of public nuisance and trespass to lands directly owned by the State. In its opinion, the Delaware Supreme Court ruled that the "crux of the issue" was that the Monsanto defendants, as a manufacturer of PCBs, can be held liable after their PCBs were sold to third parties whose activities released the PCBs into the environment. By order dated July 10, 2023, the case has now been remanded back to the Delaware Superior Court for further proceedings.

OTHER REPRESENTATIVE CASES

Maryland v. Monsanto Co., No. 24C21005251 (Md. Cir. Ct., Baltimore City)

Keller Rohrback filed a complaint on behalf of The State of Maryland against Monsanto in November 2021. In May 2022, the Court denied Monsanto's Motion to Dismiss and the case is in discovery.

City of Seattle v. Monsanto Co., No. 16-107 (W.D. Wash.)

Keller Rohrback represents the City of Seattle in its public nuisance case against Monsanto, whose PCBs contaminate the Lower Duwamish Waterway. Discovery, which closed in 2022, required review of hundreds of thousands of documents. Keller Rohrback, working closely with the City, took or defended over a dozen fact and 30(b)(6) depositions. Expert discovery is also complete and the parties are awaiting final rulings on the last of the *Daubert* motions. On February 2, 2024, Judge Jones denied the Defendants' Motion for Summary Judgment. Trial is set for September 23, 2024.

Andrews v. Plains All Am. Pipeline L.P., No. 15-4113 (C.D. Cal.)

Keller Rohrback serves as Co-Lead Counsel representing fishers, property owners and others affected by the May 2015 spill from Plains All American's Line 901 pipeline in Santa Barbara County. The oil spill contaminated pristine beaches, closed critical fishing grounds, and damaged natural resources throughout the region. Keller Rohrback sought compensation for victims of the spill for their present and future damages and to hold Plains accountable for the harm it caused to the fishers and property owners. In May 2022 a \$230 million settlement was reached, awarding \$184 million to the Fisher Class and \$46 million to the Property Class.

Resendez v. Precision Castparts Corp., No. 16-16164 (Or. Cir. Ct. Multnomah Cnty.)

Keller Rohrback represented a class of homeowners and residents in Multnomah and Clackamas County who sought relief from Precision Castparts Corp. for the company's heavy metal particulate air pollution that clouded their neighborhood and unreasonably interfered with their real property rights. Plaintiffs prevailed on the defendants' motions to dismiss and for summary judgment. In May 2022, the Court granted Final Approval of a Class Action Settlement, which included a \$12.5 million settlement fund for cash payments to class members, and millions of additional dollars in enhanced pollution controls at the Precision Castparts facilities in Southeast Portland.

Meeker v. Bullseye Glass Co., No. 16-7002 (Or. Cir. Ct., Multnomah Cnty.)

Keller Rohrback successfully negotiated a classwide settlement with Bullseye Glass Co. for contaminating a residential neighborhood in Portland, Oregon, by emitting hazardous levels of arsenic, cadmium, chromium, and other toxic materials from its glass-making facility for years. Despite using thousands of pounds a year of dangerous heavy metals, Bullseye Glass had used no pollution control technology for more than four decades. Using innovative air and soil monitoring, Keller Rohrback helped this neighborhood to protect itself and hold Bullseye Glass accountable for the harm it caused. The final settlement approved by the Court included a two-year air monitoring program, ongoing use of pollution control devices by the defendant, and significant monetary payments to class members, including reimbursement for air emissions-related expenses.

In re Chrysler-Dodge-Jeep EcoDiesel Mktg, Sales Pracs., & Prods. Liab. Litig., MDL No. 2777 (N.D. Cal.)

From the outset, Keller Rohrback played a major role in this multidistrict litigation, representing consumers nationwide who alleged that Fiat Chrysler used an emissions defeat device in over 100,000 Ram 1500 and Jeep Grand Cherokee diesel trucks and SUVs. Keller Rohrback Managing Partner Lynn Sarko was appointed by the Court to the Plaintiffs' Steering Committee leading this case, and Keller Rohrback attorneys took an active role in discovery and served on the negotiating team that achieved and implemented a settlement worth over \$307 million. The settlement, involving both Fiat Chrysler and supplier Bosch, provided owners and lessees of the affected vehicles with substantial cash payments in addition to government-approved emissions repairs and valuable extended warranty protection.

In re Volkswagen "Clean Diesel" Mktg., Sales Pracs., and Prods. Liab. Litig., No. 3:15-md-02672 (N.D. Cal.)

Keller Rohrback filed the first multi-Plaintiff complaint against Volkswagen on September 20, 2015, two days after the defeat device scheme came to light. Keller Rohrback represented consumers nationwide who alleged they were damaged by Volkswagen's fraudulent use of an emissions "defeat device" in over 500,000 vehicles in the United States. Keller Rohrback Managing Partner Lynn Sarko served on the Plaintiffs' Steering Committee for this national litigation. Lynn Sarko and partner Gretchen Freeman Cappio served on the negotiating team for the \$15 billion class action settlement for 2.0-liter vehicles, the largest auto-related consumer class action in U.S. history. Keller Rohrback played a similar role in reaching and implementing similar settlements with Volkswagen and Bosch regarding approximately 100,000 3-liter vehicles.

In re Exxon Valdez, No. 89-95 (D. Alaska)

Keller Rohrback was trial counsel representing fishermen, landowners, and businesses located in Prince William Sound in their action against Exxon to recover damages caused by the Exxon Valdez oil spill. A federal jury awarded a \$5 billion judgment in favor of Keller Rohrback clients. At the time, it was the largest punitive damages verdict in U.S. history. Additional claims against the Alyeska Pipeline Service Company were settled for \$98 million. More than 25 years after the tragic spill, the Exxon Valdez spill is still considered one of the most devastating human-caused environmental disasters. In addition, Keller Rohrback Managing Partner Lynn Sarko was appointed to serve as the Administrator of the Exxon and Alyeska Qualified Settlement Funds.

Wishtoyo Found. v. Magic Mountain LLC, No. 12-5600 (C.D. Cal.)

Keller Rohrback worked with a team of environmental lawyers on behalf of Los Angeles-based clients who successfully negotiated a groundbreaking settlement with Six Flags Magic Mountain to address its stormwater pollution discharged to the Santa Clara River. The settlement significantly reduced the amount of heavy metals and other pollutants entering the Santa Clara from the amusement park by requiring the facility to install state-of-the-art technology, develop and implement a comprehensive site management plan, and fully comply with the Clean Water Act. Additional monetary payments made by Six Flags as a result of the case are being used to perform critical habitat restoration and mitigation projects along the Santa Clara River.

Mapleton Groundwater Litig. (Ruff v. Ensign-Bickford Indus.), No. 99-120B (D. Utah)

Keller Rohrback attorneys successfully litigated a series of groundwater contamination suits against multiple international Defendants accused of releasing hazardous chemicals into the watershed over six decades. The suits were brought on behalf of individuals and their families against Defendants who owned a former explosives plant in Mapleton, Utah. The Plaintiffs alleged that improper waste disposal caused contaminants to seep into the groundwater and that the chemicals caused property damage and non-Hodgkin's lymphoma cancers affecting numerous residents. The matter involved complex scientific issues related to hydrogeology, chemical migration pathways, aquifer dynamics, clean-up methods, and contaminant degradation. The litigation resolved prior to trial after lengthy evidentiary hearings at which Plaintiffs received favorable Daubert rulings.

James v. PacifiCorp et al., No. 20CV33885 (Or. Cir. Ct., Multnomah Cnty.)

Keller Rohrback filed a class action lawsuit against PacifiCorp and Pacific Power for the catastrophic damage to homes, businesses, schools, and entire communities caused by the power companies' negligence and downed power lines during the devastating fires that ignited in Oregon during Labor Day weekend of 2020. In an historic verdict on June 12, 2023 a jury in Portland held PacifiCorp directly responsible for damages the class suffered from four fires: the Santiam Canyon Fire, the Echo Mountain Complex Fire, the South Obenchain Fire, and the 242 Fire. Juries have also determined that PacifiCorp must compensate named Plaintiffs for the harms they suffered to their property and possessions, as well as awards of between \$3-\$8.5 million dollars each to compensate those Plaintiffs for the non-economic harms they suffered. The determination of damage awards for all members of the class is ongoing.

Marshall Fire Litigation, No. 2022CV30195 (Boulder Cnty. Dist. Ct.)

The Marshall Fire is the most destructive wildfire the State of Colorado has ever seen. More than 1,000 homes and commercial buildings were damaged or destroyed, and approximately 6,000 acres of land were burned, in this tragic but preventable disaster that happened in December 2021. On August 25, 2023, Keller Rohrback filed its first complaint (Hughes, et al. vs. Xcel Energy, Inc., et al.) against Xcel Energy and subsequently filed five additional complaints. In total, those six complaints include over 535 plaintiffs. All cases were consolidated in front of Judge Zenisek. Keller Rohrback serves as Liaison Counsel and on the Plaintiffs' Steering Committee for the individual plaintiffs.

Southern California Gas Leak Cases, No. JCCP 4861 (Cal. Super. Ct., Los Angeles Cnty.)

This action concerns one of the worst human-caused environmental disasters in this nation's history. These consolidated cases stem from the massive blowout at a natural gas storage well at the Aliso Canyon Natural Gas Storage Facility beginning in 2015. The blowout raged out of control for over 100 days, spewing huge volumes of natural gas, its constituents, and other toxic chemicals into the surrounding community. When the blowout was finally contained, it had released a volume of methane gas that caused a 25% increase in all of California's greenhouse gas emissions in 2015. Over 22,000 residents living within a 5-mile radius of the blowout were forced from their homes when their properties and schools were contaminated with a soup of toxic chemicals and known carcinogens. In April 2022, the Court granted final approval of a class action settlement to resolve the property-related claims of these residents pending before the Superior Court of California, County of Los Angeles. Keller Rohrback served on the Plaintiffs' Steering Committee for the Class Action Track for this action.

REPRESENTATIVE CASES

In re JUUL Labs, Inc., Mktg., Sales Pracs., and Prods. Liab. Litig., MDL No. 2913 (N.D. Cal.)

Keller Rohrbach serves as Co-Lead Counsel in the JUUL MDL, in which it represents county governments, a sovereign tribe, and school districts bringing public nuisance claims against JUUL and Altria for creating the youth vaping crisis. Keller Rohrbach also represents, along with co-counsel, the State of Alaska in similar claims against JUUL and Altria that are pending in Alaska state court. The government and school district plaintiffs allege that the JUUL and Altria defendants knowingly targeted youth in their marketing of addictive e-cigarettes, resulting in skyrocketing rates of youth vaping and nicotine addiction and the undoing of years of public health progress in combatting youth use of tobacco products. In December 2022, Keller Rohrbach, along with its co-lead counsel in the JUUL MDL announced a settlement with JUUL on the eve of trial. The case against Altria proceeded to trial in April 2023. After Plaintiffs rested their case, a \$235 million settlement in principle was reached with Altria and was announced on May 10, 2023. The scope of the MDL settlements are enormous,

creating a program to resolve over 8,500 personal injury cases, a nationwide class action, and over 1,500 county, city and school district cases. The government entity settlements will provide resources to school districts, cities, and counties to abate youth nicotine addiction in their communities.

In re Nat'l. Prescription Opiate Litig., MDL No. 2804 (N.D. Ohio)

Keller Rohrbach represents multiple government entities in the sprawling *In re National Prescription Opiate Litigation*, MDL pertaining to the well-publicized opioid epidemic that has ravaged the United States. Keller Rohrbach has been responsible for the work of multiple critical experts, and has managed the litigation against key defendants, including Mallinckrodt, the manufacturer with the largest opioid market share. Keller Rohrbach also helped manage discovery and played a key role in the work up of the claims against Walmart, one of three pharmacy defendants in the jury trial presided over by Honorable Dan Aaron Polster of the Northern District of Ohio on November 23, 2022. The jury found CVS Health, Walgreens, and Walmart, contributed to a “public nuisance” through the sale of prescription narcotics and were legally liable for contributing to the opioid epidemic in two Ohio counties. Some defendants in this litigation have settled, allowing billions of dollars in settlement funds to flow to municipalities across the country. Litigation against the remaining defendants is ongoing. Keller Rohrbach also has been instrumental in the leadership and development of several statewide Memoranda of Understanding (MOU) that govern how MDL related settlement funds will be distributed.

In re Liquid Aluminum Sulfate Antitrust Litig., MDL No. 2687 (D.N.J.)

In 2016, Keller Rohrback filed numerous class action complaints in federal courts on behalf of several municipalities in Washington, California, and Arizona that purchase and use liquid aluminum sulfate (“Alum”) to treat and clean their waste water. The complaints contained claims against the major manufacturers of Alum who allegedly engaged in a conspiracy to artificially inflate the price of this essential chemical used in municipal water treatment. As a result of these antitrust violations, municipalities – and their taxpayers – had overpaid millions of dollars to the co-conspirators for the Alum they purchased during the long life of this conspiracy. In March 2020, the Court authorized the transfer of settlement funds to pay claims of the Settlement Class Members.

In Re: Kia Hyundai Vehicle Theft Marketing, Sales Practices, and Products Liability Litigation, MDL 3052 (C.D. Cal.)

(“Kia”) deviated from industry norms and failed to install effective vehicle locking technology in the majority of their vehicles manufactured for sale in the United States between 2011 and 2021, making them highly susceptible to theft. Gretchen Freeman Cappio, a Keller Rohrback partner, has been appointed by the Court as Co-Chair of Executive Committee for the Multi-District Litigation (MDL) as well as Chair of the Governmental Entities Committee. Additionally, Keller Rohrback partner Ryan McDevitt was named to both the Discovery Committee and Expert Committee for the MDL. The Governmental Entities Track of the litigation is currently at the Motion to Dismiss stage before Judge James V. Selna of the United States District Court for the Central District of California.

We also represented the RMI in cases at the International Court of Justice against the United Kingdom, India, and Pakistan, for breach of treaty and violations of customary international law. For this ground-breaking work, Keller Rohrback and the RMI's former Foreign Minister, Tony deBrum, were nominated for the 2016 Nobel Peace Prize.

Daisy Mountain Fire Dist. v. Microsoft Corp., MDL No. 1332 (D. Md.)

Keller Rohrback obtained a settlement in excess of \$4 million on behalf of a class of Arizona governmental entities that indirectly purchased operating systems and software from Microsoft at inflated rates because of Microsoft's monopolistic practices. Federal Home Loan Bank Litigation

Keller Rohrback has represented several Federal Home Loan Banks (“FHLBs”) in mortgage-backed securities litigation across the country against dozens of issuers, underwriters, and sponsors of these complex instruments. Representing these government-sponsored enterprises simultaneously in multiple state and federal courts has required us to approach coordinated, complex litigation by mastering the law of various jurisdictions and pressing similar claims, albeit under different governing law, in multiple fora at the same time. The FHLB complaints named more than 120 defendants and involved over 200 securities with a collective original face value of over \$13 billion. The relief sought by the FHLBs includes rescission and damages under state blue sky laws and the federal securities laws. We have recovered hundreds of millions of dollars on behalf of our clients to date.

Village of Rockton v. Sonoco Prods. Co., No. 14-50228 (N.D. Ill.)

Keller Rohrback represented the Village of Rockton in its efforts to make Sonoco Products Company, a paper and plastics manufacturing company, clean up the toxic mess it left when it abandoned its facility in the heart of the Village. Although the Illinois Environmental Protection Agency concluded that the levels of contamination at the site far exceeded state and federal laws and were threatening to spread to other sites in town and pollute the river, Sonoco refused to take any action. That changed, however, when Keller Rohrback began working on the case.

Using the experience and skills of the attorneys at Keller Rohrback, the Village took matters into its own hands and commenced legal action against Sonoco to protect the health and well-being of its dynamic community. As a result of Keller Rohrback's intervention, Sonoco has cleaned up the site and left the Village of Rockton a now safer and better place. Our firm is committed to making communities like Rockton clean and healthy places to live and visit.

Insurers sued the insured as well as the data breach plaintiffs for a declaration that there was no duty to defend and indemnify. After 21st Century declared bankruptcy, the data breach plaintiffs reached an agreement for relief from the automatic stay and an assignment of rights to a number of 21st Century's insurance policies. Keller Rohrback's clients then asserted counterclaims against the insurer, briefed cross motions for summary judgment involving unsettled law, and recently reached an agreement to settle.

Group Health Coop. v. Coon, 193 Wn.2d 841, 447 P.3d 139 (2019)

Keller Rohrback successfully represented the policyholder before the Washington Supreme Court, and prevailed in reaffirming the made-whole doctrine in favor of policyholders in insurance subrogation claims.

Keller Rohrback enjoys a national reputation for excellence in prosecuting securities and financial fraud matters. We represent a variety of investors ranging from classes of individuals to large institutions. Many of our cases reflect recent financial scandals: we are pursuing claims against a group of international banks for rigging LIBOR; we represent investors in connection with their purchases of billions of dollars of mortgage-backed securities; and we pursued claims on behalf of employee benefit plans in connection with the Madoff Ponzi scheme. While our experience is diverse, our approach is simple and straightforward: we master the factual and legal bases for our claims with a focus on providing clear and concise explanations of the financial fraud and why our clients are entitled to recover.

REPRESENTATIVE CASES

Federal Home Loan Bank Litigation

Keller Rohrback has played a prominent role in large securities fraud and other investment cases litigated across the country involving mortgage-backed securities. Keller Rohrback has been retained by several Federal Home Loan Banks (FHLBs) to pursue securities and common law claims against dozens of issuers, underwriters, and sponsors of mortgage-backed securities. The FHLB complaints named more than 120 defendants and involved over 200 securities with a collective original face value of \$13 billion. The relief sought by the FHLBs includes rescission and damages under state blue sky laws and the federal securities laws. We have recovered hundreds of millions of dollars on behalf of our clients to date.

In re the Bank of N.Y. Mellon (as Trustee), No. 651786/11 (N.Y.

Sup. Ct.)

Keller Rohrback was a member of the three-firm steering committee addressing significant mortgage repurchase issues that impacted institutional investors. Keller Rohrback represented certificate holders who intervened in a proposed \$8.5 billion settlement initiated by Bank of New York Mellon, as Trustee of 530 Countrywide mortgage-backed securities trusts. Our firm played a lead role in discovery and the eight-week bench trial in New York contesting the fairness of the settlement. The objection we pursued and tried was the only objection the trial court sustained.

In re LIBOR-Based Fin. Instruments Antitrust Litig., No. 11-2262 (S.D.N.Y.)

Keller Rohrback represents institutional funds pursuing antitrust claims based on the manipulation of the London Interbank Offered Rate (LIBOR) by the international panel of banks entrusted to set that rate. Multiple government investigations have revealed that certain panel banks manipulated LIBOR to mislead the markets and investors about the state of their financial health. The case is in discovery.

Diebold v. Northern Tr. Invs., N.A., No. 09-1934 (N.D. Ill.)

Keller Rohrback was Class Counsel in this class action litigation against Northern Trust alleging that Northern Trust imprudently structured and managed its securities lending program by improperly investing cash collateral in long term debt, residential mortgage-backed securities, structured investment vehicles ("SIVs"), and other risky and illiquid assets. On August 7, 2015, Judge Susan E. Cox approved the allocation plan for a \$36 million settlement.

SECURITIES AND FINANCIAL FRAUD

REPRESENTATIVE CASES continued

Louisiana Firefighters' Ret. Sys. v. Northern Tr. Invs., N.A., No. 09-7203 (N.D. Ill.)

Keller Rohrback was Co-Lead Counsel in this securities lending litigation, a class action brought on behalf of four public retirement systems alleging that Northern Trust breached its fiduciary and contractual duties to investors when it imprudently structured and managed its securities lending program by improperly investing cash collateral in long-term debt, residential mortgage-backed securities, SIVs, and other risky and illiquid assets, rather than conservative, liquid investments. Plaintiffs allege that Northern Trust's imprudent management of the collateral pools caused Plaintiffs and other investors to suffer hundreds of millions of dollars in losses. On May 6, 2011, the Honorable Robert W. Gettleman denied in significant part Defendants' motion to dismiss. Plaintiffs also successfully defeated Defendants' third party complaint. The Court thereafter approved a partial settlement of \$24 million in cash, plus interest earned thereon, which represents settlement of the indirect lending claims of settlement class members.

In re Bank of N.Y. Mellon Corp. Forex Transactions Litig., No. 12-2335 (S.D.N.Y.)

Keller Rohrback served as Lead ERISA Counsel in this class action against the Bank of New York Mellon ("BNY Mellon") arising from its undisclosed charges for Standing Instruction Foreign Currency ("SI FX") transactions. Plaintiffs allege that between January 12, 1999 and January 17, 2012, BNY Mellon breached its fiduciary duties by failing to prudently and loyally manage the Plan's foreign currency transactions in the best interests of the participants, failing to disclose fully the details of the relevant SI FX transactions it was undertaking on behalf of the Plans, and engaging in prohibited transactions. In March 2015, a global resolution of the private and governmental enforcement actions was announced in which \$504 million will be paid back to BNY Mellon customers—\$335 million of which is directly attributable to funds received in the class litigation.

Madoff Direct & Feeder Fund Litigation: Hartman v. Ivy Asset Mgmt. LLC, No. 09-8278 (S.D.N.Y.)

Keller Rohrback successfully litigated this direct action on behalf of the trustees of seventeen employee benefit plans damaged by the Madoff Ponzi scheme. The action alleged that Ivy Asset Management and J.P. Jeanneret Associates, Inc. breached their fiduciary duties under ERISA by causing the plans to be invested directly or indirectly in Madoff funds. Keller Rohrback obtained a settlement of over \$219 million in this case and related actions, including claims brought by the United States Secretary of Labor and the New York Attorney General.

In re IKON Off. Sols., Inc. Sec. Litig., MDL No. 1318 (E.D. Pa.)

Keller Rohrback served as Co-Lead Counsel representing the City of Philadelphia and eight other lead Plaintiffs in this certified class action alleging securities fraud. Class counsel achieved the highest securities fraud settlement at that time in the Eastern District of Pennsylvania by settling with Defendant IKON Office Solutions, Inc. for \$111 million. The settlement was listed as one of the "largest settlements in class-action securities-fraud lawsuits since Congress reformed securities litigation in 1995" by *USA Today*.

In re Apple Comput., Inc. Derivative Litig., No. 06-4128 (N.D. Cal.)

Keller Rohrback served on the Management Committee in this federal derivative shareholder action against nominal Defendant Apple Computer, Inc. and current and former directors and officers of Apple. Plaintiffs pursued breach of fiduciary duty, unjust enrichment, and gross mismanagement claims arising from backdated stock options granted between 1993 and 2001, which diverted millions of dollars of corporate assets to Apple executives. We achieved a settlement that awarded \$14 million—one of the largest cash recoveries in a stock backdating case—and that required Apple to adopt a series of unique and industry-leading corporate enhancements.

Managing Partner Lynn Sarko uses thoughtful innovation to solve complex issues. Having led Keller Rohrback L.L.P.'s Complex Litigation Group since its inception over 30 years ago, Lynn's work has led to new developments in case law and significant, impactful settlements for his clients.

A dynamic leader with a tenacious dedication to justice, Lynn has been selected by courts across the nation to serve in key leadership roles in a wide variety of cutting-edge cases. Namely, he was appointed Co-Lead counsel for *In re EpiPen (Epinephrine Injection, USP) Mktg., Sales Practices & Antitrust Litigation*, MDL No. 2785 (D. Kan.), the nationwide class action against pharmaceutical company Mylan and others for anticompetitive and unfair business practices in its sale and marketing of the EpiPen Auto-Injector device. He was also selected to serve in a leadership position on behalf of governmental entities and other plaintiffs in the vast litigation regarding the nationwide prescription opioid epidemic, *In re National Prescription Opiate Litigation*, MDL No. 2804 (N.D. Ohio). The National Law Journal referred to this leadership team as a "Who's Who" in mass torts."

Some of Lynn's other remarkable successes include consumer protection cases aimed at holding automotive companies accountable for wrongdoing. One such case was *In re Volkswagen "Clean Diesel" Marketing, Sales Practices, and Products Liability Litigation*, MDL No. 2672 (N.D. Cal.), for which Lynn was appointed to the Plaintiffs' Steering Committee—a group referred to as a "class action dream team." The case settled for over \$17 billion. Lynn was also appointed to the Plaintiffs' Steering Committee for *In re Chrysler-Dodge-Jeep EcoDiesel Marketing, Sales Practices, and Products Liability Litigation*, MDL No. 2777 (N.D. Cal.), which settled for \$307.5 million, including required emissions modifications for 100,000 eligible vehicles. In addition to consumer protection cases, Lynn has also served in leadership positions for cases involving financial fraud and breaches of fiduciary duty. He was selected to lead teams of attorneys representing plaintiffs in the litigations against Enron, Worldcom, and Madoff—three of the biggest financial frauds of our time.

Lynn is widely renowned within the legal community and beyond for his diplomacy and fearless devotion to justice. He was a member of the legal team nominated for the 2016 Nobel Peace Prize for seeking enforcement of the Nuclear Non-Proliferation Treaty on behalf of the Republic of the Marshall Islands. He was also honored to receive the Trial Lawyers for Public Justice Trial Lawyer of the Year Award for his work on the Exxon Valdez Oil Spill trial team, and he was one of four Washington lawyers recognized as one of the 500 "Leading Lawyers in America" by Lawdragon. He is also AV-rated by Martindale-Hubbell and has been consecutively named to the Washington Super Lawyers list for 21 years.

Lynn holds a BBA and an MBA in accounting and finance from the University of Wisconsin, where he also served as an accounting instructor. He graduated with his J.D. from the University of Wisconsin Law school, where he was Editor-in-Chief of the Wisconsin Law Review and received the faculty award given to the

Early in her career, as an Adjunct Professor, she taught semester courses in Lawyering Theory and Practice and Advanced Business Reorganizations. She also served as a law clerk for the Honorable Charles G. Case, U.S. Bankruptcy Court, for the District of Arizona for two years.

An important part of Laurie's international work involves the domestic and international legal implications of treaty obligations and breaches. She is a member of the international legal team that represented the Marshall Islands at the International Court of Justice in The Hague. For its work, the team was nominated by the International Peace Bureau for the 2016 Nobel Peace Prize, along with the former Foreign Minister, Tony deBrum. That work included claims arising out of the United States' failure to reunite refugee families as legally required.

In complex litigation, Laurie was the lead attorney for Keller Rohrback in a series of successful groundwater contamination suits brought in 1996 against multiple international defendants concerning chemical releases spanning over 60 years. Gretchen Freeman Cappio is a partner at Keller Rohrback L.L.P., a nationally renowned law firm known for its skillful, effective advocacy.

Gretchen's law practice emphasizes complex, cutting-edge litigation. She has played key roles in many well-known cases, including in the multibillion-dollar Volkswagen "Clean Diesel" litigation and in groundbreaking litigation holding Wells Fargo accountable for its unauthorized account scheme. Gretchen's advocacy also extends to high-profile public health cases, and she serves as the primary client contact for major governmental clients, including in the massive Opioid multidistrict litigation. In that case, she has helped negotiate numerous agreements between states and local governments to allocate settlement funds that are dedicated to addressing the devastating impacts of the opioid epidemic. She has also successfully advocated for the fairer pricing of drugs and devices, including in the EpiPens Marketing litigation, for which she and her team have been honored by the American Antitrust Institute, winning an Outstanding Antitrust Litigation Achievement in Private Practice Award in 2022.

In addition, judges have appointed Gretchen to leadership positions in a number of high-profile cases that are currently pending. She helps lead litigation about the safety and reliability of vehicles in the ZF-TRW Airbag, GM Transmission, and Chevy Bolt litigations, and she advocates for the security of data in the Blackbaud Data Breach litigation.

Gretchen's leadership and devotion to justice drive her legal work and personal time. Felicia delves deep into the issues at hand to get concrete results for her clients.

As an attorney in Keller Rohrbach's nationally recognized Complex Litigation Group, Felicia is able to combine her interest in people with her drive to hold bad actors responsible for wrongdoing.

Drawn to cases that matter to people's lives, Felicia focuses on complex and multidistrict litigation. In California's Judicial Council Coordination Proceedings ("JCCP") re Social Media Cases, she represents school districts in litigation against the social media companies for their contributions to the youth mental health crisis, including the Seattle Public Schools, the Mesa School District, the Portland Public Schools, and the New York City Public Schools. In the fight against the youth vaping epidemic, Felicia played a major role representing government entities in the *In re JUUL Labs, Inc., Marketing, Sales Practices, and Products Liability Litigation*, including participating in the San Francisco Unified School district trial against Altria Group, Inc. (the parent company of Philip Morris USA). In 2022, global settlements were reached with JUUL. In 2023, after the plaintiff rested its case, Altria agreed to a \$235 million settlement.

Felicia has also represented consumers in cases where the business practices of drug manufacturers, pharmacy benefit managers, and other entities have driven up the costs of pharmaceuticals to the detriment of consumers, such as in the *In re EpiPen (Epinephrine Injection, USP) Marketing, Sales Practices and Antitrust Litigation*, which successfully reached a \$345 million settlement with Pfizer in 2021 and a \$264 million settlement with Mylan in 2022. As a result of the work in the *In re EpiPen* case, she and her team were honored by the American Antitrust Institute, winning an Outstanding Antitrust Litigation Achievement in Private Practice Award in 2022.

Prior to joining Keller Rohrbach as an attorney, Felicia received her J.D., cum laude, from Harvard Law School, where she served as an Executive Article Editor of the Harvard Law & Policy Review. Felicia gained practical legal experience as a clinical student attorney, representing low-income survivors of domestic violence in family court and prosecuting criminal cases in state court, and as a summer associate at Keller Rohrbach. Driven by the work of complex litigation and the firm's justice-oriented community, Felicia returned to Keller Rohrbach at the conclusion of her clerkship with Washington State Supreme Court Chief Justice Mary Fairhurst.

Outside of work, Felicia enjoys hiking, watching soccer and gymnastics, and reading fantasy novels.

Alison Gaffney is a fighter. Once she takes on a client—as a partner in Keller Rohrback’s nationally recognized Complex Litigation Group or as a cooperating attorney with the ACLU—she commits to doing everything she can to fight for justice for her client.

That tenacity was evident in her pursuit to reunite Somali refugee Joseph Doe with his family after their separation was prolonged because of the Muslim Travel Ban. Alison is a member of the team that sued the Trump Administration on behalf of Doe and other individuals and organizations harmed by the travel ban in *Doe, et al. v. Donald Trump, et al.* (W.D. Washington). Three weeks after the court granted Doe’s motion for a preliminary injunction, Alison had the honor of seeing Doe reunited with his wife and three sons in Seattle.

Alison is passionate about using litigation to combat complex world problems. In the National Prescription Opiate Multi-District Litigation, Alison represents over 70 city, county, and tribal governments in their fight to hold prescription opioid manufacturers and distributors accountable for the devastating effects these drugs have had on their communities. She has played a key role within Keller Rohrback’s Opioid Litigation team, and in the national MDL she has been involved in drafting the master complaints, dispositive briefing, discovery, and preparing and defending medical experts. In addition, Alison represents school districts and counties in litigation against JUUL Labs, Inc. and other e-cigarette manufacturers for targeting youth with their marketing and product design and addicting a new generation to nicotine.

Both before and during law school, Alison’s passion for justice and human rights drew her to immigration law and policy. She completed a master’s degree focused on international migration, and as a law student, she interned with the Seattle Immigration Court and the Northwest Immigrant Rights Project (NWIRP) in Tacoma, where she gave “Know Your Rights” presentations at the Northwest Detention Center. She represented clients in deportation proceedings through NWIRP as well as the law school’s Immigration Law Clinic, and she continues to volunteer as a pro bono attorney for NWIRP.

When she is not fighting for her clients, Alison is busy keeping up with her two sons, scrambling and climbing with The Mountaineers, and generally enjoying the beauty of the Pacific Northwest.

Matthew Gerend practices in the firm's nationally recognized Complex Litigation Group, representing employees, benefit plans, and consumers in litigation to enforce antitrust laws and the Employee Retirement Income Security Act ("ERISA").

Matt has represented plaintiffs in federal courts across the country to redress harms stemming from breaches of fiduciary duties, investment fraud, anticompetitive conduct, and other misconduct that harms employees, benefit plans, and consumers.

Matt has also represented health plan members and health plans in litigation to hold pharmacy benefit managers and drug manufactures accountable for unfair, deceptive, and anticompetitive practices that artificially drive up the prices for critical medications, such as the EpiPen and the MS drug Copaxone.

Matt became interested in the laws protecting retirement and health benefits as a clerk with AARP Foundation Litigation, where he helped draft a number of amicus curiae briefs filed in the U.S. Supreme Court and U.S. Courts of Appeals regarding the proper interpretation and implementation of ERISA. During law school, Matt also worked as an intern with the Community Development Project at the Lawyers' Committee for Civil Rights Under Law.

Matt believes that lawyers have a unique ability to effect social change, an ethic that has guided his work representing individuals and benefit plans against those engaged in divisive and fraudulent practices.

Dean Kawamoto understands complex cases. Many of Dean's cases involve complicated financial transactions, sophisticated institutional and government clients, large-scale discovery, extensive expert analysis, and massive damages. Dean's litigation experience is broad, and includes litigation involving public health, systemic corporate fraud, financial services and securities transactions, consumer protection, product liability, environmental remediation, and professional liability.

As a partner in the firm's Complex Litigation Group, Dean has played an important role in many of Keller Rohrbach's largest cases. In the Opiate MDL, Dean has played a lead role in developing the case against Mallinckrodt and has also worked closely with the experts in the case. Dean was part of the Keller Rohrbach team that successfully sued Volkswagen, Audi, and Porsche for engaging in a massive fraud to cheat emission standards by using "defeat devices." Dean is currently part of the litigation team representing several of the Federal Home Loan Banks in litigation against dozens of issuers, underwriters, and sponsors of private label mortgage-backed securities worth \$13 billion. He was also part of the trial team that successfully objected on behalf of the firm's clients to the \$8.5 billion settlement between Bank of New York Mellon and Bank of America over Countrywide's massive mortgage liabilities, the only objection that was sustained by the trial court. Most recently, Dean was appointed by the Honorable Judge William Orrick as co-lead counsel for *In re JUUL Labs, Inc., Marketing, Sales Practices, and Products Liability Litigation*, the multidistrict litigation against JUUL Labs, Inc. and other defendants for actions relating to the vaping epidemic among minors.

Dean also has an extensive background in environmental law. He has performed climate change research in the Arctic Tundra. He has worked for the United States Senate Committee on Environment and Public Works, where he was in charge of issues relating to water pollution and the Clean Water Act. During law school, he was a research assistant and teaching assistant to Professor Daniel Esty, the former Commissioner of the Connecticut Department of Energy and Environmental Protection. Dean also served as an adjunct instructor in environmental law and policy for the University of Southern California.

Dean served as a clerk for the Honorable Wm. Matthew Byrne, U.S. District Judge for the Central District of California and was previously a Professional Staff Member on the U.S. Senate Committee on Environment and Public Works and a Legislative Aide to Senator Lincoln D. Chafee of Rhode Island.

Ron Kilgard is a 40-year civil litigation lawyer. Over a long career, he has handled all manner of civil cases, from routine automobile accidents and two-party contract disputes of no interest to anyone but the parties, to multi-million dollar class actions covered in *The New York Times* and *The Wall Street Journal*. For the last 20 years, Ron has mostly litigated pension plan class actions. Ron helped Keller Rohrbach pioneer company stock ERISA litigation in the late 1990s and early 2000s; he was part of the team that obtained settlements of over \$265 million in the Enron 401(k) litigation. In 2017, after six years of litigation, Ron prevailed in an action challenging as unconstitutional the cutbacks to the pensions of Arizona state court judges. That same year, Ron began representing pro bono, and is still representing, a client fleeing gang-related violence in El Salvador.

Ron is a Phoenix native. He clerked for the Hon. Mary M. Schroeder, U. S. Court of Appeals for the Ninth Circuit, in 1979-80 and has practiced in Phoenix ever since. He was one of the lawyers who formed the Phoenix office of Keller Rohrbach L.L.P. in November 2002.

Katherine Klein is an environmental advocate who believes in the power of complex litigation to answer the challenges posed by corporate abusers and speculators.

Her background in conservation biology has informed her vigorous dedication to wildlife and wilderness preservation, and upholding responsible societal stewardship of the nation's natural resources.

Katherine works in Keller Rohrback's complex litigation group from its newest office location in Denver, Colorado, and she brings a keen focus on environmental and conservation issues to the Denver office. After completing degrees at Boston College and the University of Central Florida for a BA in Communication and MS in Conservation Biology respectively, Katherine attained her JD at the University of Denver Sturm College of Law in 2021.

While pursuing her law degree, she worked as a law clerk for national nonprofits The Wilderness Society and Defenders of Wildlife. She also clerked for the Environmental Defense Center in Santa Barbara, California, and she has been published repeatedly in the University of Denver's Water Law Review. She is a member of both the Colorado Bar Association and the Colorado Women's Bar Association. Since being awarded her JD, Katherine served as a law clerk for the Honorable Stephanie L. Scoville in the 2nd Judicial District for the State of Colorado, and also for the Honorable John Daniel Dailey in the Colorado Court of Appeals.

Katherine's previous legal experience has prepared her to add to Keller Rohrback's unparalleled reputation for consumer protection and its deep knowledge of environmental law, in an area of the country rich in scenic beauty, natural resources, and land-use controversies.

The Southern California native balances her legal career with road trips to America's National Parks and Wildlife Refuges, reading high fantasy novels, and enjoying the outdoor company of her rescue dogs Basil and Willow. She might also be found practicing pilates, kickboxing, or sipping well-steeped cups of the finest tea.

Ben Lantz's practice focuses on plaintiff's personal injury cases including motor vehicle accidents, premises liability, product liability, wrongful death, and catastrophic property loss.

He brings a unique skill set to his plaintiff's personal injury practice. For over 25 years, Ben defended these claims for insurance companies, car manufactures, and government entities. Using this experience, Ben has developed deep insight into how insurance companies and defense counsel think, defend, and ultimately value cases. Armed with this knowledge, he understands what cases are worth pretrial and when it is necessary to let a jury determine the value of a client's claim.

Mr. Lantz began his career as a civil and criminal prosecutor with the Snohomish County Prosecutor's Office, where he obtained extensive trial experience. Since joining Keller Rohrback L.L.P. in 1998, Ben has successfully represented financial institutions and corporations in complex commercial litigation matters. Andrew believes that by joining together through complex litigation, people can effectively hold corporations responsible for their wrongdoing.

Andrew's interest in the law mounted progressively following his undergraduate studies at Vassar College and several years applying his advanced language skills in various settings, including teaching English in Brazil on a Fulbright fellowship. These experiences led to a San Francisco immigration law office working as a bilingual legal assistant. Andrew's time there convinced him of the necessity of providing service to people facing problems they cannot resolve on their own, prompting him to attend law school.

Andrew received his J.D., *magna cum laude*, from Seattle University School of Law. During law school, he served as a Lead Article Editor for the Seattle University Law Review and received two CALI Excellence for the Future Awards for earning the top grade in Legal Writing and Privacy Law courses. Andrew also externed for Judge Ken Schubert at King County Superior Court and Judge Rebecca Glasgow at Division II of the Washington State Court of Appeals. Prior to joining the firm, Andrew clerked for Judge John H. Chun at the United States District Court for the Western District of Washington. While working for these judges, he was exposed to a spectrum of civil cases and took note of complex litigation as a necessary procedural tool to help injured plaintiffs go up against behemoth corporations.

Andrew foresees long-term practice in the complex litigation realm. He is confident that his writing skills, his work ethic, and his willingness to work productively with others will serve him well and broaden his expertise. Andrew looks forward to the accumulation of experience he knows he will find at Keller Rohrbach.

Outside of work, Andrew enjoys running, riding his bicycle, stand-up paddleboarding, exploring Seattle restaurants, and traveling.

Derek is a senior partner in Keller Rohrbach's nationally recognized Complex Litigation Group and a member of the firm's Executive Committee.

Derek's passion for holding large corporations accountable for wrongdoing has helped recover billions of dollars for consumers, retirees, governments and institutions. He has served in leadership roles in major complex cases across the country.

Currently, Derek is co-lead counsel in *In re Facebook, Inc. Consumer Privacy User Profile Litigation*, the MDL litigation against Facebook stemming from the Facebook Cambridge Analytica scandal. In the case, after years of hard-fought litigation, he and the team achieved an historic \$725 million settlement, the largest amount paid to date to resolve a privacy-based class action.

In addition to his class action work, Derek helps manage the Keller Rohrbach team representing state and local government entities in a number of matters involving significant public health crises. For example, Derek leads the Keller Rohrbach team litigating government cases against opioid manufacturers and distributors in *The National Prescription Opioid Litigation*. In the Opioid MDL, Derek serves on the Expert and Law & Briefing Committees and lead the litigation against a major opioid manufacturer. He also represents school districts and counties in litigation against the e-cigarette company, JUUL, for targeting and addicting youth, and in litigation against social media companies for causing a youth mental health epidemic. These cases are quintessential examples of the type of litigation Derek and the Keller Rohrbach team fervently pursue: corporate fraud and malfeasance causing serious harm to the public.

Derek's other notable cases include the Wells Fargo unauthorized account consumer class action for which Derek served as lead counsel. In the Wells Fargo case, Derek and the Keller Rohrbach team achieved a \$142 million settlement requiring the bank to refund all improper fees and provide first-of-its kind credit damage reimbursement, among other relief, to Wells Fargo customers; multi-billion dollar mortgage-backed securities cases on behalf of the Federal Home Loan Banks of Chicago, Indianapolis and Boston; ERISA class cases on behalf of employees whose retirement savings were decimated by corporate fraud and abuse on the part of Enron, WorldCom, Countrywide, and Washington Mutual, among others. He has also litigated fraud, RICO, and antitrust cases against drug manufacturers, pharmacy benefit managers, and insurance companies for conspiring to drive up the cost of life-saving medications such as insulin.

Many of Derek's cases have required coordinating with state and federal agencies involved in litigation that parallels cases pursued by Keller Rohrbach, including state attorneys general, the Department of Justice, and the Department of Labor. In addition, Derek has extensive experience negotiating

complex, multi-party settlements, and coordinating with the many parties and counsel necessary to accomplish this. He is frequently asked to speak at national conferences about class actions, public health litigation, ERISA, and other complex litigation topics.

Before joining Keller Rohrbach, Derek served as a law clerk for the Honorable Michael R. Hogan, U.S. District Court for the District of Oregon. He was also a trial attorney in the Employment Litigation Section of the Civil Rights Division of the U.S. Department of Justice in Washington, D.C. where he prosecuted discrimination cases on behalf of the United States.

EDUCATION

Whitman College

Philosophy

**University of Washington
School of Law**
J.D., 2020

Eric Lombardo sees complex litigation as a challenging but powerful tool for change.

Eric's analytical relationship with the law was informed by his undergraduate studies in philosophy and politics at Whitman College. His postgrad work at the ACLU of Washington exposed him to ambitious, boundary-pushing efforts to expand what harms can be addressed in the legal realm, and led to his JD with honors at the University of Washington School of Law. There, he spent his summers at the UW Tribal Public Defense Clinic and the Washington State Attorney General's office and volunteered with the Washington Innocence Project Clinic. He also served as the Chief Articles Editor on the Washington International Law Journal and was a member of the school's New York Bar Moot Court Team.

After earning his law degree, Eric clerked for Judge Douglass A. North in the King County Superior Court and for Chief Judge Lori K. Smith in the Washington Court of Appeals, Division 1. His experience with larger civil actions in those environments—particularly those dealing with corporate abuses of power—focused him on the question of how to further the public good through complex litigation.

Eric counts being deliberate and conscientious among his greatest personal and professional strengths, and he looks forward to applying them as he gathers experience in KR's Complex Litigation Group. In his free time, Eric enjoys backpacking, hiking, snowshoeing, running, and light mountaineering. He is an avid reader and has been playing the cello since he was in elementary school—his favorite solo piece is Bach's 5th cello suite.

Kate is passionate about protecting people and the environment through legal action. The interconnection between human rights and the environment has fueled her passion for the law and brought her to the United States to expand her education and practice, leading her to join Keller Rohrback's nationally recognized Complex Litigation Group where she can represent both individuals and governments confronted with environmental problems.

Kate is originally from Australia and is dual-qualified as an attorney in both Australia and the United States, gaining admission to the Washington Bar in 2022. Throughout her career in both jurisdictions, she has focused on environmental law. After law school, Kate worked as a legal intern with Earth Rights International in Thailand, before returning to Australia to clerk for a Judge of the Federal Court of Australia. As a judicial clerk, she worked on several complex cases, including assisting with a six-month trial of a medical product class action. Kate then worked as a government attorney at the NSW Crown Solicitor's Office representing various government agencies in environmental regulation, environmental prosecutions, and Aboriginal land rights.

Kate relocated to the United States in early 2021 to pursue a Master of Laws in Environmental, Natural Resources, and Energy Law at Lewis & Clark Law School in Portland, Oregon. While pursuing her masters, she was a clinic student with the Global Law Alliance for Animals and the Environment and the Earthrise Law Center, working on environmental public interest cases. Before becoming a full-time attorney at Keller Rohrback in May 2022, Kate spent a few months clerking for the firm.

Kate recognizes the importance of the environment as a social justice issue and is thrilled to bring her efficiency and expertise to Keller Rohrback where she can make a difference firsthand helping to protect our people, communities, and environment.

In her free time, Kate enjoys hiking, cross-country skiing, scuba diving, snorkeling, and enjoying the outdoors anyway she can.

Ryan protects consumers, competitors, investors, and innovators. As a partner in Keller Rohrback's nationally recognized Complex Litigation Group, he focuses on ensuring fairness in the marketplace.

In recent years Ryan has played a significant role in achieving and administering landmark settlements on behalf of drivers of Volkswagen, Audi, Porsche, Ram, and Jeep vehicles in the Volkswagen "Clean Diesel" and Fiat Chrysler "EcoDiesel" multidistrict litigations. Ryan currently serves on the court-appointed Executive Committee in litigation concerning defective transmissions in Nissan and Infiniti vehicles, and is a key member of the Keller Rohrback team appointed co-lead counsel in litigation concerning a serious safety defect in Chevrolet Bolt EV batteries. He also works alongside partner Gretchen Freeman Cappio in her capacity as a member of the Plaintiffs' Steering Committees in significant matters involving allegedly defective airbag control units in 12.3 million vehicles from six major automakers and allegedly defective transmissions in numerous Chevrolet, Cadillac, and GMC vehicles, and as Settlement Counsel in a case concerning alleged engine defects in numerous Hyundai and Kia models. Ryan was also recently featured by Law360 as one of their "Rising Stars" for 2023.

In addition to these and numerous other automotive fraud and defect cases involving major automakers and auto parts suppliers, Ryan has litigated consumer protection and antitrust claims, financial and securities fraud, intellectual property infringement, and federal labor law violations in federal and state courts nationwide. For example, he has represented the Federal Home Loan Banks of Boston, Chicago, and Indianapolis in litigation against dozens of issuers, underwriters, and sponsors of private label mortgage-backed securities worth \$13 billion; classes of mortgage borrowers treated unfairly by mortgage servicers and banks; and the Navajo Nation in protecting its rights to the NAVAJO trademark.

Before joining the firm, Ryan served as a law clerk in the Antitrust Division of the Washington State Attorney General, where he worked on multistate investigations of international price-fixing conspiracies. In law school, he was a research assistant to June Besek, chair of the American Bar Association's Copyright Task Force.

Matt Melamed is a partner in Keller Rohrback's Oakland office, where he is a member of the firm's nationally-recognized Complex Litigation Group.

He has ably represented plaintiffs, municipalities, and states in nearly every aspect of litigation for 15 years.

Matt joined Keller Rohrback after co-counseling with attorneys at the firm to represent plaintiffs in several complex, multidistrict cases. In recent years, Matt focused on representing plaintiffs in the *In re Facebook, Inc. The case settled for \$725 million, the largest settlement to date of a U.S. privacy class action and the most Facebook has ever paid to resolve private litigation. Before that, Matt represented cities, counties, and states in nationwide litigation concerning the prescription opioid crisis. Among other roles in those cases, he represented the City and County of San Francisco, whose case was remanded as an MDL bellwether from *In re National Opiate Litigation*.

Matt's extensive litigation experience also includes representing investors in numerous securities fraud cases, among them *Villella v. Chemical & Mining Company of Chile, Inc.*, *In re St. Jude Medical, Inc. Securities Litigation*, *In re LeapFrog Enterprise, Inc. Securities Litigation*, and *Jones v. He was also the Kazan-Wallace Attorney at Public Justice PC.

Matt has authored published articles on multiparty discovery in the *National Opiate Litigation MDL*, special solicitude for state standing to bring suit, arbitration agreements in adhesive contracts, and First Amendment protections for hate speech considered through the lens of European law.

Keil Mueller is a resolute and tireless advocate for his clients' interests.

With over 15 years of litigation experience, Keil has regularly represented government entities, investors, consumers, businesses and other Plaintiffs in a wide variety of complex legal matters and class actions. His practice focuses on issues related to securities and financial fraud, the environment, consumer class actions, and partner and shareholder disputes among others. Keil's thoughtful but tenacious pursuit of his clients' claims has contributed to significant courtroom victories and favorable settlements. He has successfully represented clients in matters of corporate malfeasance, taking on big companies such as AIG, Oppenheimer, FedEx Ground, JP Morgan Chase, and Bank of New York Mellon, just to name a few.

Currently, Keil is a key member of teams prosecuting claims on behalf of the State of Maryland, the State of Delaware, and the City of Seattle against multinational chemical manufacturer, Monsanto, and seeking to hold the corporate giant responsible for environmental contamination and other harms caused by Monsanto's sale and marketing of PCBs. Prior to joining Keller Rohrback, Keil also was a member of the team that represented the State of Oregon in similar claims against Monsanto, which Monsanto recently agreed to settle for \$698 million, the largest environmental settlement in Oregon's history.

In addition to advocating for his clients, Keil serves as a board member of the Campaign for Equal Justice and of the Oregon Lawyer Chapter of the American Constitution Society.

Nathan Nanfelt has the heart of an advocate. He's committed to fighting for justice, fairness, and human rights. As an attorney in Keller Rohrback's Plaintiff's Tort Litigation Group, Nathan represents classes, individuals, and businesses harmed by others.

Nathan sharpened his litigation skills trying cases for the King County Prosecuting Attorney's Office. With his extensive trial and courtroom experience, Nathan knows when it's time to fight—but he also has the discernment to know when compromise benefits his clients.

A 2012 graduate of Seattle University School of Law, Nathan co-wrote constitutional and human rights educational materials for youth in Zambia, with a focus on gender-based violence and police brutality. Nathan's work was inspired by six months he spent in Zambia in college. A professor and mentor noticed Nathan's "advocate's heart" and encouraged him to pursue a career in law.

Prior to joining Keller Rohrback, Nathan served as a judicial law clerk in the U.S. District Court, Western District of Washington. He also served as a certified law clerk for the Los Angeles County District Attorney's Office's Victim Impact Program. Before that, he worked as a paralegal at a large firm in Chicago.

Sarah Osborn is a sharp and compassionate advocate for the underdog who utilizes her strong work ethic and robust skillset to achieve successful results for her clients.

Sarah is an attorney working in Keller Rohrback's complex litigation and commercial litigation groups. She represents clients using a collaborative, thoughtful, and intuitive approach while maintaining a strong moral compass for social justice. Prior to joining Keller Rohrback, she focused on employment and civil rights litigation, including matters of discrimination, sexual harassment, whistleblower retaliation, and disability rights.

Sarah was inspired to go to law school after working in the financial services industry where she was exposed firsthand, to some of the most predatory industries to consumers. This exposure inspired Sarah to seek a career path dedicated to consumer justice.

During her time at the University of Oregon School of Law, Sarah received many community service awards for her work dedicated to civil rights. Additionally, Sarah actively pursued initiatives in social justice, clerking for organizations such as Disability Rights Oregon and Northwest Workers Justice Project. Sarah was also the only law student across the entire Pacific Region (made up of California, Oregon, and Washington law schools) selected for a Public Interest Award by Equal Justice Works in 2021 for her exemplary commitment to public interest law and pro bono work.

Sarah continues to be highly involved in the Oregon legal community focusing on advancing access to justice through organizations such as the Oregon Trial Lawyers Association (OTLA) and the LGBT Bar Association of Oregon (OGALLA).

When not fighting the good fight, you can find Sarah walking her three rescue chihuahuas, spending time outdoors, rock climbing, and solving sudoku puzzles.

Yoona Park strives to embody the spirit of “nunchi,” a Korean concept that recognizes the importance of reading the moods, tone, and goals of individuals within a group, and adjusting one’s actions to meet those group dynamics. Yoona is motivated by this interpersonal aspect of her collaborative efforts in the legal profession—including those with co-counsel, Keller Rohrback colleagues, and clients. Her leadership ability and passion for both teamwork and advocacy are valuable tools that Yoona uses to guide her teams in identifying difficult problems and finding effective and practical solutions for her clients.

Yoona’s work in Keller Rohrback’s complex litigation group is focused on environmental law, class actions, and the representation of government entities in litigation against corporate wrongdoers. With over 15 years of litigation experience and a background in public relations, Yoona believes passionately in the legal system’s power to redress harm to vulnerable populations and communities and is strategic about navigating the unique nuances and considerations involved when representing government entities in public-facing litigation. She is well respected by her peers, as well as industry organizations, and has been honored by Oregon Super Lawyers, Benchmark Litigation, and Best Lawyers in America.

Prior to her time at Keller Rohrback, Yoona worked closely with other members of the firm as co-counsel representing the State of Oregon in its case against Monsanto seeking to hold the corporate giant responsible for natural resource damages related to the sale and marketing of PCBs. She also represents the State of Maryland, State of Delaware, and City of Seattle in PCB litigation against Monsanto. Yoona also represents 19 Oregon school districts in litigation against JUUL Labs, Inc. and other e-cigarette manufacturers for targeting youth with their marketing and product design and addicting a new generation to nicotine. At her prior firm, Yoona most recently represented plaintiffs in a class action against Airbnb seeking changes to that company’s discriminatory booking policies, and individuals whose personal information was compromised by a data breach in a class action against the health insurer Premera.

Outside of work, Yoona enjoys cooking, skiing, knitting sweaters that people feel obligated to wear, and spending time with her litigator husband and two teenage sons.

Matthew Preusch is a partner at Keller Rohrback and practices in its nationally-recognized Complex Litigation Group. Matt focuses his work on cases that protect people and the environment. He has helped initiate landmark consumer litigation related to Volkswagen's "Clean Diesel" deceit and Wells Fargo's unauthorized account scheme. When studies of moss samples in trees in Portland, Oregon identified several pollution "hotspots" in that city, he and others at Keller Rohrback launched cases on behalf of residents that resulted in the largest environmental class action settlement in Oregon history. More recently, he served as co-lead counsel representing survivors of four utility-caused wildfires in Oregon. That case resulted in a historic, first-of-its-kind jury verdict finding a utility liable to a class for punitive damages. In addition, Matt serves as individual plaintiffs' Liaison Counsel for the Marshall Fire litigation in Colorado.

Before joining Keller Rohrback, Matthew served as an honors attorney in the Oregon Department of Justice's appellate and trial divisions. He was a judicial extern for the Hon. Michael W. Mosman in the District of Oregon during law school. Prior to his legal career, he spent 10 years as a journalist in the Pacific Northwest, covering regional and national news for The Oregonian, The New York Times and other publications.

Sydney's diligent care for the written word and enthusiasm for learning new areas of law allow her to create strong legal arguments for her clients. Her high degree of intellectual curiosity, continued passion for law, and commitment to social justice make her a great fit for Keller Rohrback's Complex Litigation Group.

Sydney first joined the firm as a research analyst in KR's Santa Barbara office and she later transitioned into a paralegal role in the Seattle office. Those experiences taught her about the intricacies of complex litigation and the excitement of the legal industry, sparking her interest in becoming an attorney. Sydney went on to attend law school at the University of Colorado Law School, during which she volunteered at CU's RAP Lab, participated in the Marshall-Brennan Constitutional Literacy Project and the Colorado Appellate Advocacy Competition, and received the Shawn Stigler and Alex Nelson Alpine Endeavors Law Scholarship.

After graduating with her J.D. in 2021, Sydney rejoined Keller Rohrback as an associate in the firm's Complex Litigation Group, where she focuses on areas like automotive litigation, opioids litigation, and *In re EpiPen (Epinephrine Injection, USP) Marketing, Sales Practices and Antitrust Litigation*. Sydney's interest in these sprawling cases which seek to address corporate wrongdoing stems from her previous experience as a research analyst working with the firm's Volkswagen "Clean Diesel" litigation team.

Whether a government agency or a frightened individual hoping to never again be involved with the legal system, Adam Rosenberg can be depended on to aggressively take on his client's cause.

Adam represents both plaintiffs and defendants in a wide array of civil matters. His practice centers on litigation of a complex nature, including catastrophic injury, insurance bad faith, civil rights, land use, water law, and business disputes among others. He's litigated high-stakes cases of national importance, as well as cases that were only important to the people involved.

Originally from Pennsylvania, Adam came to the Pacific Northwest for school, receiving a bachelor's degree in Business Administration from the University of Washington and his J.D. from Seattle University School of Law. Before joining Keller Rohrback, Adam worked for multiple, other prominent Seattle-area firms. He credits any practice success he's had to osmosis, having been privileged to work with (and against) some of the best trial lawyers in the country.

Long interested in politics and the idea of creating positive social change, Chris views the legal tools of class actions and mass torts as effective ways to proactively correct corporate wrongdoings and help a large number of people in ways that might otherwise be unfeasible.
